

If you are new to Amarillo ISD or did not sign up to volunteer within the district last year, please follow these steps:

1. On a laptop or PC (mobile devices won't do this one,) go to www.amaisd.org
2. Scroll to the bottom of the home page. There is a row of red squares across the page. Choose the one that says "volunteer." This link will take you to a new page.
3. Then click the red sentence that says, "**Click Here to VOLUNTEER for AISD**" This link will take you to the district page for America's Promise.
4. You will click on the box that says, "Register as a volunteer." This is a typical registration form where you create a username and password. After you have completed the registration, you will have an account where you can make specifications about where you'd like to volunteer. It is important that you make those specifications on the preference page. Please choose **Amarillo High School** as one of the schools you prefer. Then, when asked about "preferred opportunities," choose **Booster - Band**.
5. After you've completed the registration, AISD will run a background check. Then, when approved, you'll be on the list of volunteers available!

If you registered with the new system last year, you need to:

3. Then click the red sentence that says, "**Click Here to VOLUNTEER for AISD**" This link will take you to the district page for America's Promise.
4. Here, you will log-in using the username and password you created last year. Don't worry--it'll help you if you've forgotten!
5. After you log-in, check the preferences you've selected to make sure you've chosen **Amarillo High School** and **Booster - Band**.
